Items of Business

(Written reports were included with the agenda and are on file in the District Office.)

Certificated Personnel Action Report

On the motion of Member Kuwabara, seconded by Member McInerney and carried 5-0, the Board approved the Certificated Personnel Action Report 2006-07/17 Board as submitted for Employment.

Heritage Fields Mitigation

Deputy Superintendent Medeiros introduced Fred Woocher, of Strumwassser L& Woocher LLP, who provided an update regarding the status of negotiations with Lennar Corporation relative to mitigation for schools in the Great Park area including Heritage Fields.

Mr. Woocher advised that negotiations have yielded little progress to date, and that the District was still awaiting a response to their recent proposal for land and construction costs, which was provided at Lennar's request.

The Board expressed their frustration about the lack of response and their concern that development plans were continuing to be finalized without a mitigation plan in place for schools. The Board also expressed the need to ensure educational equity for all of its students,

and the expectation that schools in the Great Park would meet the "Irvine-quality" standard provided by The Irvine Company over the course of the district's history. Mr. Woocher also suggested the need to urge the City to step up its efforts to support the District on behalf of the schools.

The Board requested that this item be reagendaized for an update at their next regular meeting on June 26.

Adjournment

There being no further Board of Education business, the meeting was adjourned at 7:38 p.m.
